EDUCATION

Bachelor of Science in Software Engineering

San Jose State University, San Jose CA

Expected Graduation May 2027

EXPERIENCE

Web Developer, [IAU San Jose Campus](#)

March 2026 - August 2026

- Built and implemented all client-facing web interfaces using industry-standard technologies, ensuring cross-browser compatibility, accessibility compliance, and optimized performance
- Created original visual design concepts, user interface layouts, and responsive design frameworks for each campus website, ensuring consistency with the parent IAULA.edu domain while reflecting the individual identity and programmatic needs of each campus.

Material Management Partner I, *General Dynamics OTS*

Jun 2026 - August 2026

- Maintained accurate inventory records and completed material tracking tasks using Microsoft Excel.
- Used Outlook, Teams, and other Microsoft Office applications to communicate with multiple departments and support daily administrative operations.
- Conducted inventory counts, identified record discrepancies, and coordinated with departments to maintain accurate material information.

Geek Squad Desk Agent, *Best Buy*

Nov 2025 - Jan 2026

- Provided technical support for OS reinstalls, driver updates, malware removal, and data recovery while clearly communicating technical solutions to users.
- Collaborated in a fast-paced environment to triage issues, document resolutions, and strengthen debugging and analytical problem-solving skills.
- Served as a first point of contact for customers, answered questions, documented service needs, and communicated technical information clearly and professionally.

Maggianno's Little Italy, San Jose, CA - *Banquet Server*

September 2024 - March 2025

- Orchestrated seamless event execution by preparing banquet spaces and ensuring exceptional guest experiences in a dynamic, high-paced environment.
- Delivered superior customer service, anticipating guest needs and coordinating with event teams.

LEADERSHIP

Lead Ambassador - *Mozilla / Responsible Computing Club*

September 2024 - August 2025

- Spearheaded initiatives to promote responsible computing and ethical technology use through strategic event planning and outreach.
- Managed a team of 6 ambassadors who planned and coordinated industry events with people from companies such as Apple, Google, Adobe and more to give talks and provide insight about ethical computing.

Vice President - *IDEAS Club*

September 2024 - December 2025

- Facilitated over 20 team members for the web development, events, media, and finance teams.
- Coordinated team meetings, communicated schedules and responsibilities, and supported event planning across web development, events, media, and finance teams.
- Provided front-desk support for 15+ hours per week by welcoming members, answering questions, maintaining an organized club room, and ensuring supplies remained stocked and functional.
